Tropical Haven News

In all good things
GIVE THANKS

News From Our President Darl Cross

Greetings Neighbors:

Well, we can thank God that again Tropical Haven was spared from the hurricane and the tornadoes. We had very minor damage in the park and no injuries to any people. The communities around us were not as fortunate with those communities in the South hit very hard with major damage and fatalities and injuries. This is three major storms this year with no damage or minimal damage our park.

In other news, Diana Tuggle will again be leading a Veteran's Day Celebration and luncheon. She is asking that all Veterans RSVP her at 505-715-9611. She would also request that any Veteran who did not previously provide a photo to do so. This celebration has always been very meaningful for our veterans.

Our new activities director will soon be back in the park and I am again asking everyone to get behind her to provide the activities.

We will need someone to step up for Thanksgiving and Christmas dinners. Help out wherever you can. Thanks to Johnny Yates and Pamela Williams. for the Halloween Celebration and their continued guidance at Karaoke.

We will need new people to step up and provide leadership next year. If you are inter-

ested, please let me know. We are really in need of someone to take over the Treasurer's position but we need people in all the other positions as well. This is going to be an exciting time with the new owners so I urge you to get involved.

As to the new change, we are hearing from people involved that the plan at present is to take over mid December. This is not written in stone but this is the plan. The new management has asked the Board to plan on continuing the present activities as is, for at least the next year. This is all we know about their plans as of now. We are only going to collect dues for one year this time so we have opportunity to make changes after that. We will continue to have lots of activities including day trips and all the usual activities. We will need lots of help, so get involved.

Many of our snowbirds are returning and we have lots of new residents. Let's everybody get involved.

Again, thanks to all those who have kept us busy and involved all Summer.

Again, I thank you for your support and God

Bless each one.
God Bless, Darl Cross

Property Manager's Corner Ingrid Rivera

Welcome home to the residents returning from being away for the summer. Hopefully, your homes fared well during Hurricane Milton, and you did not have much to do in the way of repairs. Unfortunately, other communities had a much different experience than Tropical Haven during the hurricane, and prayerfully those communities will continue to receive the help they need.

Thank you to all the residents who have helped to ensure Tropical Haven is a desirable place to live through maintaining their home lots and property and assisting others throughout the community when they need a little extra help. With that said, I would like to pose the following questions to each Tropical Haven resident; 1) Are you committed to ensuring your home lot and home are maintained in a way that is a positive representation of the community, 2) Are you willing to help a neighbor in their time of need, 3) Do you encourage and include residents, that you are less familiar with, to participate in community activities, and 4) Are you positive in your communication related to Tropical Haven. The answers to these questions need not be shared with me, but I do hope you will make time to self-reflect on the effect your residency has on Tropical Haven.

Most of you should know by now that the Tropical Haven Business Office has Troy Dinger back in our Maintenance Department as our Maintenance Foreman. Welcome Back Troy!

Thanksgiving is the perfect time to reflect on and honor the sacrifices that you and other members of our Family, Friends and our community have made. We are immensely thankful to you and your cooperation in this community.

Wishing you a very Happy Thanksgiving!
